

HAKITEC® 750 Temporary Roofs, Shelters & Buildings

Superior weather protection
for maximum productivity

Modular components designed to span large, continuous areas while keeping your most important assets safe in harsh conditions.

Aluma > **SAFWAY™**

At Work For You™

Stay on schedule regardless of weather

› Protect assets & equipment 24/7/365

- › Mobile or stationary HAKITEC® 750 systems available for commercial construction, industrial jobsites, storage, warehousing, and shipbuilding or repair.
- › Designed to fit wide, unique shapes and sizes, including pitched and polygonal structures.
- › AlumaSafway is a nationwide distributor of HAKI® products in Canada.

“HAKI® was so easy to learn to work with, even in the brutal weather. We completed the entire structure in four days. Using traditional methods would have taken four weeks.”

– Account Manager, Outdoor Fabrication Yard, Alberta, Canada

AlumaSafway offers the broadest range of access and industrial solutions with the greatest depth of expertise.
